PECK'S BAD BOY.

There are plays that one sees and enjoys very often, and then promises himself to see just once more. "Peck's Bad Boy" is in that category, and will occupy the stage at the Capital Theatre Friday, September 25.

Age seems to have no effect on that most mischievous of youngsters, who yearly learns new pranks, finds new tricks to play on the German grocer, original methods of bothering his Pa, makes life a tiresome thing for the policeman, and when it comes to making love, well—he's just too lovely, so his best girl thinks.

Manager Harry Reavey possesses a knack of getting the right players or the right places. It needs but mention that Miss Eleanore Rella is playing the title role, to say that the Bad Boy is better impersonated than ever. Mr. Harry Willis who seems to have been born for the part of the German grocer, will portray that part better than ever before. While all the other parts have been filled with people specially adapted to those parts. The music is all new and up-to-date; specialties galore; in fact, the whole show has been arranged for laughing purposes only.

Popular prices will prevail.

A PURGATIVE PLEASURE.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell, of Houston, Tex., says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by J. W. Gayle.

GERMAN SYRUP.

We want to impress on our readers that Boschee's German Syrup is positively the only preparation on the market to-day that does relieve and cure consumption. It contains the specifics, such as pure tar, extracts of gums, etc., which have been so highly endorsed for the cure of coughs, colds and consumption by the great medical congresses. The consumptive, whether his disease is in the throat or lungs, must have rest at night, and be free from the spasm of dry and racking cough in the morning. The diseased parts want rest, healing and soothing treatment, and the patient needs fresh air, good food, etc. German Syrup will give free and easy expectoration in the morning with speedy and permanent relief. Small bottles, 25 cents; regular size, containing nearly four times as much, 75 cents. At all druggists.

RAISED FROM THE DEAD.

C. W. Landis, "Porter" for the Oriental Hotel, Chenute, Kan., says: "I know what it was to suffer with neuralgia, 'deed I did, and I got a bottle of Ballard's Snow Liniment and I was 'raised from the dead.' I tried to get some more but before I had 'deposed' of my bottle, I was cured entirely. I am tellin' de truth too." 25c, 50c and \$1.00 at Paul B. Weitzel's.

MRS. WIGGS AT MACAULEY'S LOUISVILLE.

The dramatization of Mrs. Alice Caldwell Hegan's two famous stories, which has been made by Mrs. Anne Crawford Flexner, in three acts, all the scenes of which are laid in the now famous Cabbage Patch. One of these views will reveal the interior of Mrs. Wiggs cottage and present the whole family, picturesque little Wiggses and all, in characteristic home fashion. Another view will disclose the outside of the unique Wiggs house with its tin roof made out of old cans and its celebrated two doors (one being simply nailed on as an ornament). The queer railroad environment of the settlement has been most ingeniously pictured by the scenic artist, it is said, and the freight-car episode in which the maudlin Mr. Stubbins, "Miss" Hazy's husband, fallen from grace in the midst of his honeymoon, is sent on his unexpected and mysterious journey, will have a highly realistic stage depiction.

The familiar characters and chief incidents of both "Mrs. Wiggs of the Cabbage Patch" and "Lovey Mary" have been utilized in the play, but the playwright has been obliged to invent a great deal of original material and a specific plot in particular in order to give the piece a true dramatic effectiveness.

The new motif contains a real surprise, in fact, according to the statement of the management who claim that it links Mrs. Wiggs, Lovey Mary and Tommy in a dramatic relationship that does not exist in the books. Lovey Mary's own flight from the orphanage takes place at the very opening of the drama, and its denouement in the third act discloses Mrs. Wiggs herself in a new situation of what is expected to be intense heart interest. As for the comedy element of the play, which overbubbles in the character comedy throughout the supreme fun centers around the eccentric Mr. Stubbins and his matrimonial experience with Miss Hazy. The wedding, into which that meek little spinster is "sicked" on by Mrs. Wiggs, is celebrated in the first act in just such Cabbage Patch style as would benefit the nuptials of the "prominent citizens of Bagdad Junction."

AUSPICIOUS OPENING.

Notwithstanding the fact that the weather was insufferably warm, fully thirteen hundred people witnessed the opening of the theatrical season of 1903-4, at the Capital Theatre last Monday evening. The opening bill was "The Slaves of the Orient," and was put on in a highly creditable manner by the Harris-Parkinson Stock Co. Mr. Harris and Miss La Tour are supported this season by a splendid company of exceedingly capable people, and they richly deserved the large audiences that nightly greeted their able presentation of the splendid plays in their repertoire.

This afternoon Little Lord Fauntleroy will be presented at the matinee and to-night that splendid melodrama of western life, "The Scout," will close their week's engagement. The indications are that the largest house of the week will witness the last performance of this splendid company. The specialties are the best that have been seen at the Capital Theatre, and served to delight the large crowds each night.

ANCIENT TORTURE

How it has Been Revived in Modern Times.

An ancient method of poisoning criminals was to force them to swallow large quantities of bull's blood. Bull's blood is really no poison at all. Yet the prisoner usually died in agony. This was caused by the coagulation or hardening of the bull's blood in the stomach. The pressure of this solid mass on the heart, lungs and other vital organs almost always resulted fatally.

That's just like indigestion. If your food doesn't digest it remains in a hard lump in the stomach. Gases are formed, which crowd and sometimes actually displace other organs. Many cases of supposed heart disease are due to indigestion. The pressure upon the lungs interferes with breathing. A disordered stomach affects the whole body.

By the use of such a preparation as Kodol Dyspepsia Cure all this trouble is removed. Before food can be assimilated into the system it must be reduced to proper condition by the digestive fluids. If any of these fluids are lacking, perfect digestion is impossible. Kodol Dyspepsia Cure supplies the missing fluids. Stomach troubles can't be cured by dieting. The system demands both a sufficiency and a variety of food. You can't get well or stay well without it. Kodol Dyspepsia Cure enables the stomach to take care of any kind of food. It renders dieting unnecessary. It digests what you eat. In this way it rests the stomach. This rest soon restores the stomach to perfect health.

Kodol Dyspepsia Cure helps the children too. Weak and sickly little ones thrive on it. It never fails.

"During the last few years my stomach was in such condition that I couldn't retain the food I ate," writes Henry Williams of Booneville, Mo. "Two months ago I commenced taking Kodol Dyspepsia Cure. A few bottles have cured me entirely. I can now eat and enjoy anything I want."

Kodol Dyspepsia Cure Cures all Stomach Troubles.

Digests what you Eat

Dyspepsia Cure

You might as well put fuel under a boiler without burning it and expect the engine to run, as to eat food and not digest it and expect to keep up nourishment for your body. You must have nourishment to live and when you cannot digest your food, KODOL DYSPEPSIA CURE will do it for you, with no aid whatever from the stomach. It contains exactly the same elements as Nature's digestive fluids and can't help but produce the same results.—David Taylor, Blind Ridge, Pa., writes:—

"I have been afflicted for a number of years with dyspepsia and have tried various remedies without good results but was cured by one bottle of KODOL DYSPEPSIA CURE. I cannot say too much in its favor."

It can't help but do you good

Prepared by E. C. DeWitt & Co., Chicago. The \$1 bottle contains 2 1/2 times the 50c. size.

When you need a soothing and healing application for piles, sores and skin diseases, use DeWitt's Witch Hazel SALVE. Beware of counterfeits.
